

School Improvement Priorities 2025–26

The improvement areas identified from feedback on the 2024–2025 School Improvement Plan have helped shape our priorities for the 2025–2026 academic year.

Priority 1

Supporting pupils to develop stronger skills in reflecting on their own learning and progress.

Priority 2

Making sure every pupil's rights, needs and opinions are heard and respected in all parts of school life, including policies, daily practices and learning experiences.

Priority 3

Enhancing health and wellbeing support for pupils, particularly Relationships, Sexual Health and Parenthood.

Priority 4

Ensuring teaching, learning and assessment are consistently high-quality across all classes.

Priority 5

Designing and implementing a secondary curriculum with accredited qualifications, awards and pathways.
